

As my birthday grew closer, I had awful nightmares about it.

Here we go again.

The first time our family was invited out to dinner in America, we disgraced ourselves while eating celery.

Once upon a time there was a pair of pants.

✓ I wouldn't change anything about myself because I like who I am.

Bubba Bixby was born big and mean, full of teeth and ready to bite.

✓ My friend Andy is the first person who made me want to learn.

When my dad was a helicopter pilot in Vietnam, he once rescued eight Navy SEALs who were stranded behind enemy lines.

I hate my father.

✓ Did you ever think about going to the past?

It was pitch-black in my room and as I wrote I tried to imagine the size of each letter so I could keep the words in line and read what I had written in the light of morning.

On a scale of one to ten, this party was at least an eight.

✓ She was terrific, fabulous, dynamic and smart.
