I'm wild about girls  
because they're pretty  
and the way that they look  
at boys I think that they're  
awesome. They are awesome.  
sometime I don't get them  
because they can't make up their  
mind about something and I  
think that is a little weird but  
I'm still wild about them. The best  
thing that I like about them is  
that they are smarter than boys.

I'm wild about girls  
because they are pretty  
and when they look at me  
my stomach jumps. Their eyes  
stare at me and I feel warm.  
The way they look at boys is  
awesome. Sometimes I don't  
get them because they confused  
to me. They say one thing but  
they want another something.  
I don't get them because they  
don't make up their mind and  
I think that is wierd. (I always  
can make up my mind). They  
say okay to see a good movie  
but they get mad when they don't  
like it because it isn't a love  
story. I'm still wild about them.  
The best thing that I like about  
them is that they are smarter than  
boys.
