

As my birthday grew closer, I had awful nightmares about it.

Here we go again.

The first time our family was invited out to dinner in America, we disgraced ourselves while eating celery.

If you eat 50 fries at a time, your head will explode.

Once upon a time there was a pair of pants.

If you want a story like "Happy Tree Friends," you should have closed this book by now.

Bubba Bixby was born big and mean, full of teeth and ready to bite.

Throughout American history, spies have sneaked behind enemy lines, adopted fake identities, and unearthed enemy secrets.

By day time I am called Sean John but at night I am called PR.

When my dad was a helicopter pilot in Vietnam, he once rescued eight Navy SEALs who were stranded behind enemy lines.

I hate my father.

She called me in 1998. I got the call in 2002.

It was pitch-black in my room and as I wrote I tried to imagine the size of each letter so I could keep the words in line and read what I had written in the light of morning.

I am sure that you have heard about males and females getting converted to their opposite gender, but have u heard of a female with a male head?

On a scale of one to ten, this party was at least an eight.

Woah! A cat fight, cool....Wait?! Is that my MOM!!!!?
